

A report on career exhibition held in Lesotho

Ikusasaletu Education Project was invited to part take in the 6th annual career expo that was held in Lesotho from 30th March to 2nd April, 2015.

The trip was made a success by department of Economic Development, Tourism and Environmental Affairs in KZN, headed by MEC Mike Mabuyakhulu, the department covered travelling, accommodation and meals costs.

In Lesotho the career fair days were held in four different districts, namely:

- ❖ Leribe and Botha districts at Sacred Heart high school
- ❖ Berea district at Assumption high school
- ❖ Mafeteng district at Bereng high school
- ❖ Maseru district at Lehokoe club

Over 1000 students and community members attended in different districts on each day, Ts'epang Majara (Mr.), Function Chief Coordinator of 2015 Career Exhibition and Ambassador of the Community of Mandela Rhodes Scholars in Lesotho has done wonderful work in ensuring that the career expo turned out to be a great success.

THEME: "THE DIFFERENCE BETWEEN IMPOSSIBLE AND POSSIBLE LIES IN OUR DETERMINATION"

The purpose of this function is to sensitize students on various career options available beyond high school. It is also aimed at helping them to make informed decisions in regard to what careers to pursue after their completion of high school studies. It is with this vision in mind, that the Community of Mandela Rhodes Scholars in collaboration with the Forum of Career Awareness Associations, local and international tertiary institutions, local and international companies has invited Ikusasaletu Education Project to give a helping hand.
